

Quilted Fabric

Sculptures

Marjan Kluepfel

Learn how to make three-dimensional quilted fabric sculptures. In this 6-hour class you will make a quilted vase, bowl, or flower, but with the technique taught in this class, you can create many different quilted 3D shapes. Your imagination is the limit...

Kit fee is \$15. The kit contains: heat-moldable batting (enough to make several bowls/flowers or one vase and one flower), pattern and instructions.

Supply List:

1 yard or 2 half yards of cotton fabric in desired colors for your vase or bowl. The flowers require 1-2 yards of fabric (Hand-dyed fabric will be for sale in class.)

Sewing machine with free-motion quilting foot and walking foot; sewing supplies: scissors, pins, threads to match your fabric; rotary cutter and mat; needle for hand sewing: fabric glue; optional -embellishments (yarn, beads); heat gun (optional).
