

Laura Heine Collage'
Supply List

Instructor: Cheryl Hart

(This supply list is designed specifically for the "Sierra Quilt Guild" students)

1. Teeny Tiny - Group #5 Collage Pattern (includes the pattern for the 16 x 20 Featherweight)
2. Featherweight Fabric Kit
3. 19" x 23" Piece of Pattern Ease
4. 2.5 yards of 18" wide Steam a Seam 2 (regular - not lite)
5. #2 pencil
6. Karen Kay Buckley Blue Handled Scissors
7. Laura Heine Collage' Mat - package contains a 17"x24" silicone fusing mat and fusing sheet. (There are other brands you may own that you can use: The Gypsy Mat or the Precision Mat. You will need a fusing sheet of the same size as well. I recommend the "Goddess Fusing Sheet")
8. Rotary cutter
9. Rotary Mat -
10. Ruler - 18"x3" is my favorite size
11. Iron and iron mat (we will **not** be "steaming" in class. Please make sure your iron is empty of water and dry inside.)

Additional supplies (these are extra but really nice to have with you)

1. Sewline Pink leaded mechanical pencil
2. Stiletto - Laura Heine's or other to help with positioning pieces

You will need to think about how to transport your collage home after class. I recommend pancaking it between 2 cutting mats, cardboard or foam core boards in order to keep it flat.

I will be bringing items 1-7 to your class for purchase as well as the Sewline Pink Mechanical Pencils.

(Your approximate purchase for a "bundle" is \$178.00 before taxes)

Please email me at - quiltsbyc@gmail.com if you have any questions prior to class
